**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Will you please leave the small broadband companies alone. I don't want to see AT&T take over another business. So sorry they have Direct tv, never should have happened. They are very difficult to deal with, raise prices on everything and do not care about their customers.

I love Ideateck, please listen to the people of America. We do not need another giant company to take over broadband.

Please leave the small businesses alone.

Thank you

Lois Burgess
